

Golden Apple Award

Mission Statement:

The mission of the Halifax Regional School Board is to ensure that each student develops passion for learning, for achieving personal success, and for building a harmonious global community.

At its meeting on October 27, 1998 it was agreed that: the Halifax Regional School Board launch a recognition award program named the “Golden Apple Award”. This monthly award will recognize community members who, in the Board’s opinion, have made outstanding contributions toward fulfilling the Mission Statement of the Halifax Regional School Board.

Nominations: School principals should forward names of candidates for the Award to the Administrative Assistant of the Corporate Secretary (vpalmer@hrsbn.ca).

The Golden Apple Award will be presented each month to one community member from each of the 8 school board districts. Recognition will be in the form of a certificate provided at the regular monthly meeting of the Halifax Regional School Board.

Note to Principals: The Golden Apple nomination form can be found in myHRSB under Document Depot/Board Services. While we recognize that many of our employees give tremendous amounts of their time to support school activities, staff members are not eligible to receive Golden Apple awards.
